

The 2014 Public Safety Fill a Fire Truck Holiday Food Drive

Serving the community that supports us is our mission. This holiday season help us provide for those in need of a little more than just toys, let's feed hungry families and children.

We are asking for non-perishable and or canned food donations to fill a fire truck. Beginning December 15th, you can drop your food donations off at any one of the 18 county fire and EMS stations. We will fill the truck and deliver the food to hungry families in need.

All donations benefit the Southern Maryland Food Bank. Food drive ends on December 30th, 2014.
